

Promoting the appropriate use,
and reducing the abuse and misuse of monitored drugs in Nova Scotia.

NOTICE OF OPINIONS PIN CORRECTIONS

Due to a recently identified issue, the NSPMP has made immediate changes to two monitored drug chemical OPINIONS PINs. Please refer to the information contained in the following table:

| NSPMP Monitored Drug Chemical | Incorrect OPINIONS PIN | Correct OPINIONS PIN | Notes |
|-------------------------------|------------------------|----------------------|--|
| Diazepam Powder | 99099965 | 99099963 | Created for use by DIS pharmacies only |
| Testosterone Powder | 99099963 | 99099965 | |

Please direct any questions or concerns related to these changes to the NSPMP at (TF) 1-877-476-7767 or (T) 902-496-7123.
